### Actual A Tech Investigation Services, Inc. case samples for other attorneys:

**Case Sample #1:**

A Tech Investigation Services, Inc. uncovered a collection of antique cars as well as several boats that a client's spouse had hidden under their parent's name.

**Case Sample #2:**

A Tech Investigation Services, Inc. located \$50,000 and 2 two-family properties in Wilmington, which the client's spouse had hidden from her; and A Tech also discovered that the spouse's girlfriend was living in one of the properties.

Assets are often hidden and can be difficult to find on your own. A Tech Investigation Services, Inc. will locate these assets and provide you with a detailed report on the findings.
